T4P All-Site Meeting

06 December 2023
Summary

Non-Substantial Amendment #6
- Protocol V3.0 updated with Scottish specific consent
  - Implementation date is **12 December**, save and print new protocol in ISF

Sites and Recruitment
- 44 sites open and 244 patients randomised – strong October and November
  - Hoping for a busy Christmas period, please do let us know if we can support you further!

Changes to Who Can Confirm Eligibility
- A doctor, nurse or clinical practitioner can now confirm eligibility, as long as appropriately qualified and on training log
  - Must still have medical oversight
  - Names of all must be entered on randomisation form – assessing eligibility, medical doctor, and person randomising
  - We will send round an email explaining all changes and next steps w/c 11th December

Buddy Scheme
- An informal scheme to match T4P sites and share experiences
  - 14 sites signed up, 12 have had initial meeting
  - Let us know if you want to sign up!

Buddy Scheme Feedback
- Lots of top tips from initial meetings:
  - Associate PI scheme
  - One person each shift is trial trained
  - 'Grab-pack' on unit
  - 'Wall of fame' certificates
  - Research on handover sheet
  - Posters in resus/ED and engaging outreach
  - Reminder nurse in charge of headline eligibility
  - Meet clinical nurses monthly

Consent Training Resources
- There were several queries on consent after the All-Site Meeting – please find some resources below:
  - Slides can be found here
  - A recording can be accessed here
  - Trial Consent Guide here

Coming up

- A site suggested receiving a list of staff on the unit with Sealed Envelope access
    - Individual site reports circulated w/c 11th December
    - The next drop-in training session is **Monday 18th December 12.30-13.00** – please do pass onto all staff who would like to get trial trained
    - Out of hours helpline trialled over Christmas

Thank you for your continued hard work on the trial!
